This yearbook which you are reading was made possible through the work of eleven ambitious, hard-working students who gave of their time and talents, and saw many weeks of effort go out in order to meet a deadline. However, this group did the work with a cheerfulness and great willingness.

Meetings of the Tiger Times staff were held every morning at eight, and Monday evenings were devoted to the planning of this yearbook and execution of those plans; thus they spent many hours trying to make this a yearbook to remember.

BOYD KING

Mr. Boyd King, principal of the Grant County Rural High School, has completed his sixth year as principal. He and the members of the Grant County High School Board of Education meet once each month to discuss and solve problems concerning the high school. These school board members are: Cleve W. Stoskopf, Director; Earl B. Williams, Treasurer; and Ralph W. Tuttle, Clerk.

The administration has the task of co-ordinating the academic and social activities of Grant County Rural High into an efficiently well-run school. In recent years, these men have had the added burden of extra meetings involved in the planning of the new high school building, and in the remodeling of the old building.

The administration and faculty worked many weeks and months preparing data so that our school could be accepted by the North Central Association of Secondary Schools and Colleges. Although it was not known until the spring of 1954 whether or not the school would be accepted into this association, these people put a great deal of time and effort into getting accepted into the organization.

This is the motto of the F. F. A. Club organized because of the need for social activity for farm boys. At the beginning of the year, all members are known as Green hands, but later become known as Chapter Farmers.

This year the club members bought a camera and took all their own pictures. Another project was the purchasing of a popcorn machine from which quite a bit of profit was made.

To increase more interest in school activities, to gain more school spirit among the students, and to help out the school in any way is the purpose of the "U" Club.

The "U" Club, formed and sponsored by Mr. Betts, is for boys who have earned a school letter. The members wear the official orange sweater with black lettering.

Among the activities of the club this year was a pop selling system in the gym and later the buying of a pop machine. The club handled all the pop for all organization concessions.

A chili supper was one of their social activities held on March 1 for the charter members since the pledges failed to make enough points during an earlier initiation.

We Hereby Resolve...

The Ulysses debaters, coached by K. W. Bogue, began a season of seven debate tournaments with a tournament at Russell early in the year. The debate question was: Resolved: "That the President of the United States Should be Elected by a Direct Vote of the People." Oberlin, Ulysses, Hutchinson, Garden City and Haven also had tournaments in which the Ulysses debaters participated. The season ended with the District tournament at Dodge City early in January.

The four debate teams participated in 86 debates, winning 34 and losing 52 for a percentage of .395 won. The average speaker rank for the team was 2.66.

Attired in black uniforms trimmed in gold, the Ulysses band performed at all the football games, as did the pep band at the basketball games. The twirlers added a bit of decoration and festivity to the occasion by showing their ability with a baton, and sometimes two.

The band also played for several pep assemblies, the homecoming parade, and took several trips to basketball games. They attended the Band Clinic at Syracuse, and competed in the District Festival at Dodge City. The concert band was taken to both Liberal and Satanta, and the entire band traveled to Goodwell, Oklahoma, where they attended the homecoming at Panhandle A. & M.

The band officers are: President, Roberta Laird; Vice-President, Mark Miller; Secretary-Treasurer, Lavetta Braden; Librarian, Norma Hilton, Solo Twirler, Leora Wheeler.

"A man ain't got a friend, without a song." If a song is the criterion whereby one measures friendship, then these groups are never without friends.

Under the able direction of Mary Haas, this year the members of the Boys' and Girls' Glee Clubs participated in the League Vocal Festival at Hugoton, and competed in the District Festival at Dodge City. The girls also exhibited their talents at one of the assembly programs.

Earl Fort

Seven members of the graduating class of 1954 attained the distinction of being members of the National Honor Society. This is a society in which only those people who have had a B average throughout all four years of high school may be members.

This average is compiled from the semester grade of the individual. He may not have had a D, even if his other grades combined bring that grade average up to a C.

The names of the members of the society are sent to National Headquarters in Washington D. C. where they are kept on record.
